

## COVID-19 Update

28 September 2020

We continue to see significant changes to all our lives during the Coronavirus crisis.

Further to the Government's recent announcement, we have once again temporarily closed our premises to those without appointment. Our clerking staff are working remotely, continuing to provide the same excellent support and high level of service to all our of our clients.

We are seeking to limit face-to-face conferences to only those for which there is a critical necessity, and have superb video-conferencing facilities available. Please do not hesitate to contact the clerks to arrange a video conference with counsel. The process is straightforward and we can guide you through it.

The clerks will be happy to accommodate any other enquiries you have at this time and will continue to work with you to facilitate your new or ongoing work.

We would like to thank you for your understanding, and wish you all well.
