

King Soloman Academy Career Fair

28 January 2025

On Tuesday 28th January, members of 5PB Miles Bennett and Harrie Austin Jones, pupil Emily Jarron and joint second junior clerk Lauren Hibbard represented Chambers at the King Soloman Academy Career Fair. There were approximately 50-60 sixth form students in attendance, keen to learn about various career paths, work experience and apprenticeship opportunities available to them after their current studies.

It was encouraging to meet with lots of ambitious young people who were interested in a pursuing career within the legal industry – whether that be at the bar, or in the clerks room. Students had the opportunity to ask any questions they had, and even tried on counsel’s wig and gown! We hope they found it useful and

informative.
