

International Women's Day 2025

07 March 2025

5 Paper Buildings is proud to celebrate International Women's Day!

Together, we #AccelerateAction for empowerment, diversity, talent and progression at our Chambers. 5PB reflects over the past 12 months over our actions and acceleration by our strong female leadership team:

- Miranda Moore KC was the long standing former joint Head of Chambers
- Deanna Heer KC was awarded Health and Safety Silk of the year and nominated for Crime silk of year at the Chambers and Partners Award 2024

- Chambers is proud to announce the promotion of our female clerk to first-junior clerk Lauren Hibbard
- The appointment of our Chambers Business Manager Giorgia Booth

Together with a strong hold of established, new and up and coming female barristers, pupils and clerks at 5 Paper Buildings we continue to strive to recognise, empower and encourage diversity at the Bar and Chambers.
